Hi Michelle,

Hope you had a good weekend!

We could do 2-2:30pm tomorrow. Schedules open up more on Wednesday, if that slot doesn't work.

Hi Katie-

Are you/your assigned staff available to update Sibil and I on the current status of this site? I know you spoke with Mark (I think it was just a phone call) and he's on an intense deployment right now. We are getting media interest in Senator Duckworth's recent request for our involvement there. Do you have any availability either Monday or Tuesday of next week to discuss?

Thanks and happy Friday

Michelle
